

BLOOMINGDALE ELEMENTARY SCHOOLS

DuPAGE SCHOOL DISTRICT 13

Dear Parents / Guardians:

Bloomington School District 13 will be starting the 2019-2020 Online Returning Student Registration process earlier this year. The online registration link will be made available March 18, 2019. We will once again be using the Powerschool Parent Portal for Returning Student Registration. [Instructions to access your Powerschool Parent Portal are listed on the back.]

This year the online returning student registration forms will be pre-populated with the information that you provided last year, along with any updates that have been made throughout the year. You will need to verify your information **carefully** and can edit any of the data fields, as needed. Accurate contact information is vital to effective school communication.

If you are unfamiliar with using the PowerSchool Parent Portal, don't worry. Detailed information is listed on the back. An email will be sent to all parents of current students, PreSchool through 7th grade, within the next two weeks. This email will contain the necessary access credentials, step by step instructions, and links to informative videos to assist you with completing the registration process for the 2019-2020 school year.

Please note: Parents of all returning students must complete the registration forms online, prior to July 19th. Parents will need to upload the required Proof of Residency documents (see details on back). If you do not have a home computer, the PowerSchool Parent Portal and Online Registration systems are mobile friendly, so they are easily accessible using your smartphone.

In addition, the district will provide parent support for online registration at each of the three schools prior to the start of next school year. Computers, scanners, and technology staff will be available to personally assist you with your registration. Parent Support for Online Registration is scheduled **during regular school hours** as follows:

Erickson Elementary School - **Last Tuesday of each Month: 3/19, 4/30, 5/28, 6/25**
Dujardin Elementary School – **Last Thursday of each Month: 3/21, 4/25, 5/30, 6/27***
Westfield Middle School - **Last Wednesday of each Month: 3/20, 4/24, 5/29, 6/26**
***Due to summer construction work, June support day for Dujardin will be held at Westfield**

If these dates or times are not conducive to your schedule, please **contact your child's school to make an appointment** to use a school computer to complete the process.

Online Fee payments are made through [PushCoin](#). The 2019-2020 registration fees will be invoiced within PushCoin prior to April 1st. Parents who wish to pay by check may do so after their online registration is complete. **(Cash payments are not accepted.)** A list of [2019-2020 fees](#) and Instructions for creating an account and using PushCoin (<https://www.pushcoin.com>), are available on the [sd13.org](#) website. Please know that payment of fees does not mean that a student is registered. The Online Returning Student Registration form must be completed, along with fees paid, in order for a student to be fully registered for the 2019-2020 school year.

~ **The early bird discount for registration fees expires June 30th.** ~

NOTE: In order to provide parents easy access to the hyperlinks included in this document, a copy of this letter has been, and will be, included in the Digital Newsletters distributed via each school on a weekly basis.
