## **Parent Reminders**

Parents, please note the following:

If your child's dismissal plans change, please send a note to the classroom teacher in the morning. Please contact the office before 2:00 pm if there is a last minute change in dismissal.

If your child needs to be picked up during the school day, he or she will not be called to the office until a parent or guardian arrives.

Please note, the drop off time for students in the morning should not be before 8:25 am. Adult supervision begins at 8:25 am.

If dropping a lunch off for your child, please have the bag or box clearly labeled with your child's name.

## **Reminder from the School Nurse**

Please remember that any student that has had a fever of 100.0 degrees or higher, diarrhea or vomiting must be symptom free without the aid of medication for a minimum of 24 hours before returning to school. If your student is sent home from school with any of these symptoms, they may not return to school the next day. A phone call to the school is still required for every day that your child is not in attendance. This practice is utilized to protect your student as well as the health of all of the other students and staff at school. Your cooperation is greatly appreciated. If you have any questions, please contact the health office at 894-9200 extension 5254.
