| Transportation (All Grades) (optional) (within 1.5 miles of school) | \$380.00                             | \$380.00                                  |

Bloomington SD13 uses PushCoin, an online service, for parents to pay school fees. PushCoin.com is a mobile-friendly website, so any Internet enabled device, including a smartphone or tablet, may be used to pay for school fees. The site will adjust to your device's screen and act like an App. You might consider bookmarking the site: <https://www.pushcoin.com> for quick access. You can also use PushCoin to pay directly from your bank account to avoid the credit card processing fee.

**NOTE: You will only be able to access the account after your student has been fully enrolled by the school they are attending.**

If you choose to pay by paper check – instead of using PushCoin online payment services - please know, the check must be made payable to Bloomington School District 13 and brought to your child(ren)'s school office.
