Poetry, Pastries & Parents 7:45-8:20am in the Erickson Gym

Parents can enjoy time with their children while indulging in delicious pastries and writing poetry! Look for a sign-up in the next Erickson Express

To the parents of all current fourth grade students: On Wednesday, May 6, the District 13 band director, Sue Metzger, will be at Erickson School from 8:45 am to 12:00 pm to meet individually with all fourth graders who are interested in joining band. Students will be given the opportunity to try up to three different instruments that they think they might like to play for the coming school year. No experience is necessary, and coming to the instrument fitting does not automatically commit your child to being in band. Furthermore, there will be an informational meeting for all fourth grade parents district-wide on May 13th at DuJardin School to learn more about the band program. Please direct any questions you may have to Sue Metzger at smetzger@sd13.org.
