DuJardin School - Home of the World's Greatest Students

Principal's Post...

We hope all parents will attend Curriculum Night next Thursday, September 14th. **Remember that Curriculum Night is for parents only.** Classroom teachers will make presentations from 6:30-7:15 p.m. and from 7:30-8:15 p.m. Parents may attend either presentation. Please plan to stop by and support the PTO sponsored Bake Sale that will be held in the lobby during Curriculum Night. The Bloomingdale Park District is offering a special Kids Curriculum Night for students at the Johnson Rec Center from 6:00-9:00pm.

Students in grades K-5 continue to complete the Measures of Academic Progress (MAP) test in both reading and math. Student results from the MAP test will be sent home in October. The spring '17 PARCC results for students in grades 4 and 5 will be mailed home in October. Teachers will use this data to focus their instruction and set academic goals with their students. While sharing data with a parent is very important, our ultimate goal is to have students understand this data and use the results to set individual improvement goals to work towards throughout the year in both math and reading. If you have any further questions about MAP testing please feel free to contact Mr. Dwyer at 630-894-9200.

From Our Health Services...

Physicals, immunizations, and eye exams for kindergarteners and students transferring from out of state were due on the first day of school. Also, all kindergarteners and 2nd graders must have a current dental record on file. These health, eye, and dental records should be given to DuJardin's building nurse, Miss Moore. Parents of children for whom we do not have the proper physical and immunization records will receive a letter indicating the area of deficiency. These deficiencies should be cleared up by October 13th. Children for whom proper records are not on file will be excluded from school beginning on Monday, October 16, 2017.
