

IGNITING IMAGINATIONS SINCE 1983!

Does your bright, motivated student need a little IN-PERSON inspiration and social interaction with a small group of like-minded students? Join us!

Sunday, Sept 6

Deconstruction Zone

5th-10th grades 1:00-3:00 - Tuition \$50

A tech take-apart event! Investigate how something was built in order to take it apart without destroying it. From a variety of old electronic devices we'll have on hand, choose an item to disassemble. Open up your chosen device and dive in. Explore what's inside, observing, identifying, loosening, detaching, and removing pieces as far as you can go. By taking items apart in this way, you will see and understand how they were made.

Thursdays, Sept. 10-24

The World of Science! (a 3-day course)

K-6th grades 4:00-6:00 - Tuition \$150

Enjoy two hours of hands-on science!

Tuesdays, Sept 8-22

Mini Weapons of Mass Distraction (a 3-day course)

4th-8th grades 4:00-6:00 - Tuition \$150

Never let your personal space go undefended again! Use our collection of office supplies to build an impressive, if somewhat miniaturized, arsenal. Enjoy physics through building sling shots, darts, catapults, and other defensive equipment.

Saturday, Oct 3

Historic Games of Strategy and Diplomacy

6th-12th grades 1:00-6:00 - Tuition \$65

Re-enact history through games of strategy! Choose from games covering a variety of time periods and locations. Expand empires through 4000 years of *History of the World*, smite thine enemies in *Ancient Conquest*, invade *Britannia*, crown your pretender in *Kingmaker*, colonize exotic lands during the *Age of Imperialism*, lay iron track across the prairie in *Empire Builder*, make the world safe for democracy in *Diplomacy*, or fight World War II in *Axis and Allies*.

We offer small, challenging, hands-on classes modified to meet CDC guidelines. Students bring their own masks and hand sanitizer (fragrance-free only).
