I walked down the street and I yelled, “TRICK OR TREAT!”  
I didn’t hear an answer but I saw some ghouls and goblins on their feet.  
Everyone boogied to the spooky beat.  
Everyone gathered around to see such a sight  
Of monsters dancing on Halloween night.  
Year after year, everyone in the cemetery boogied to the “rata-tap-tap”

Once upon a time a troll lived on a bridge.  
One day someone came by with their friends  
because they were trick or treating. So the  
troll said, “If you want to pass this bridge you  
have to do this riddle. Why did the trick or  
treaters pass the road?”

The trick or treaters answered the troll, “The  
trick or treaters passed the road because he  
was trick or treating and because they wanted  
to get lots of candy.

The troll said, “That is correct. But could you  
give me some candy since it is Halloween and  
if I go trick or treating no one will give me any  
candy because they are scared of me.

The kids said, “You could come trick or treat-  
ing with us!”

“Okay,” said the troll. And he did.

Halloween

By Room 109

Spooky ghosts  
Haunted someone's house  
On Halloween at midnight  
In the woods,  
It was Halloween, course!

Halloween is a time when kids dress up in silly costumes.  
They say trick or treat all night!  
When the sun comes up Halloween is over.  
All the costumes are gone, all the Jack-o-lanterns are gone,  
And all of the trick or treaters are gone  
Until next year!

by Kaitlyn & Kimberly

I have pet and his name is Spooky. He loves to play the game hide and go seek. Spooky always wins because he finds the best hiding places. One of his favorite hiding places is behind the snowy white tree in our backyard. Spooky also likes to play tag. He is very fast and is hard to catch up to and tag. We have so much fun together.

On Halloween Spooky and I go trick-or-treating. He is so lucky because he gets the most candy. Everyone thinks he has the best costume. What they don't know is that he REALLY is a ghost! You see, he only comes to visit me during Halloween.

Even though I don't get to see Spooky the whole year, we have so much fun going trick-or-treating with all of our friends. He is so gentle and is such a fun friend to have. Soon Halloween will be over and my time with Spooky will come to an end. I know I will see him next year but until then I will miss him so much.
